Hosted by:

The Universalist Unitarian Church
of Riverside and the University of
California Riverside

This event is open to the public,
and attendance is free.
Donations appreciated.

Speaker

Lester R. Brown

President of the
Earth Policy Institute
Washington, D.C.

Lester Brown is coming to the Inland Empire!

Hear the nationally respected environmentalist speak on the issue of CLIMATE CHANGE at the First Congregational Church in Riverside. Mr. Brown will be discussing his new book: **Plan B 3.0: Mobilizing to Save Civilization.**

The Washington Post called Lester Brown "one of the world's most influential thinkers." The Telegraph of Calcutta refers to him as "the guru of the environmental movement."

After earning a degree in agricultural science from Rutgers University in 1955, he spent six months living in rural India where he became intimately familiar with the food/population issue.

In May 2001, he founded the **Earth Policy Institute** to provide a vision and a road map for achieving an environmentally sustainable economy. He is the recipient of many prizes and awards, including 23 honorary degrees. Brown has authored or coauthored 50 books.
